Dear parent/guardian,

Thank you for enquiring about drum lessons for you child.

Last year I trialled a monthly standing order payment system that seemed to be easier for everyone and I'll be implementing it this year. The total cost of 30 lessons is spread across 10 monthly instalments (with a full half term's notice needed if stopping lessons), working out as follows:

Lesson Duration	Cost Per Lesson	30 Lessons	Monthly Instalment
15 minutes	£8	£240	£24
20 minutes	£10	£300	£30
30 minutes	£15	£450	£45

Communication between myself and parents is important to keep everyone updated on lesson progress, timetables and invoices. A practice note book brought to every lesson along with drum sticks and any sheet music or grade books is an easy regular way of tracking progress but emails are needed for invoicing and timetabling.

Please could you send the following information to [david.hackett@icloud.com](mailto:david.hackett@icloud.com) as a confirmation of intent to begin lessons:
