

## St. John's Nursery Autumn Term - Newsletter 2020

### Welcome/Witamy

We would like to welcome you all to the Nursery (Cygnet) class. The children have settled in really well and we are looking forward to getting to know you all.

Thank you for your patience while we all get to know new routines. Please continue to social distance where possible and arrive at the setting as close to drop off/pick up time where you can.

Thank you also for your understanding regarding water bottles. We have made the decision to use cups rather than water bottles. We will encourage the children to access water regularly, they also have water or milk during snack time.

If your child is unwell, please do not send them to setting and try and inform us of the reason your child is ill. Please contact us on [nursery@stjohnswey.dsat.org.uk](mailto:nursery@stjohnswey.dsat.org.uk) or 01305 785790.

Please ensure you can all access Tapestry as this is how we will continue to relay any messages to you such as accident forms and intimate care forms. Please let a member of the team know if you are having problems logging on.

### Details

Please update any details that may have changed over the summer holidays, mobile numbers etc. It is vitally important we have the correct details to be able to contact you if needed.

### Lunch boxes

If your child is staying for lunch, please put a cold pack inside your child's lunchbox. It is also beneficial to us if your child's belongings are clearly named.

### Coats & Suncream

Please could you ensure your child brings a coat to school, now the weather is getting cooler. We encourage the children to access the garden in all weathers! Alternatively if the weather is expected to be warm, please ensure your child has suncream applied before the session and brings a named hat

### Topic

Our autumn term is expected to be very busy. As well as encouraging the children to settle in to a new routine, we will be spending time looking at a new book called 'Here We Are' by Oliver Jeffers. We will also be introducing our new addition to the team; our Colour Monsters. These are colourful cuddly toys that Kirsty kindly made for us during the summer holidays. The colour monsters are also accompanied with a book, we will look at the book with the children and encourage them to talk about their feelings.

### Wanted

We are in need of items for our home corner! If you have any old utensils that you no longer use or are updating your kitchen we would be grateful if you could donate your old ones to us. Thank you.

September; Rosie-Mae, Saphia, October; Frank, Max
