7<sup>th</sup> July 2022

Dear Parents/Carers,

Soon our Super Swans will be leaving Pre-School and moving on to School! As we near the end of term, we will be starting to download each child's learning journal from their time at St John's Nursery.

As of the 11<sup>th</sup> July we will no longer be adding any new observations on Tapestry and we will be finalising and approving all of the observations for each child's learning journal record. You will still be able to use your usual password and email to log in and view the learning journal, right up until the end of the term.

Once checked, we will make your child's journal available to download. You will need to log into your Tapestry account on a browser and then look at downloads. You will be able to download a Zip File, which will contain all of the photos, videos and observations of your child, since starting at St John's. The downloads will be available for a short period of time so please download them as soon as you possibly can. Here is a link to a YouTube video, explaining how to download your child's journal. <https://youtu.be/l4SMT08B91s>

Alternatively, if you would like your child's learning journal on a CD, then please let me know as soon as possible and we will organise this for you.

Thank you for contributing to Tapestry and for sharing your child's learning; we have loved seeing what the children do in their home learning and enjoy reading your comments and observations.

Yours sincerely,

ST John's Nursery Team

Diocese of Salisbury
