12th July 2021

Dear Parents/Carers,

Soon our Perfect Penguins will be leaving Reception and moving on to Year One! As we near the end of term, we will be starting to download each child's learning journal from their time in Reception for you to keep at home.

As of the 12th July we will no longer be adding any new observations on Tapestry and we will be finalising and approving all of the observations for each child's learning journal record. You will still be able to use your usual password and email to log on to view the learning journal right up until the end of the term.

Once checked, I will make your child's journal available to download. You will need to log into your Tapestry account on a browser and then look at downloads. You will be able to download a Zip File, which will contain all of the photos, videos and observations of your child, since starting at St John's. The downloads will be available for a short period of time so please download them as soon as you possibly can. Here is a link to a YouTube video, explaining how to download your child's journal.
<https://youtu.be/I4SMT08B91s>

We hope that you will treasure your child's special Reception memories and phenomenal learning.

Alternatively, if you would like your child's learning journal on a CD, then please let me know as soon as possible and I will organise this for you.

Thank you for contributing to Tapestry and for sharing your child's learning; we have loved seeing what the children do in their home learning and enjoy reading your comments and observations.

Yours sincerely,

Miss Rist and the Reception Team.
