29th June 2020

Dear Reception Parents/Carers,

Soon our Perfect Penguins will be leaving Reception and moving on to Year One! As we near the end of term, we will be starting to transfer each child's learning journal from their time in Reception on to a CD for you. So as of the 29th June we will no longer be recording any new observations on Tapestry and we will be finalising and approving all of the observations for each child's learning journal record. You will still be able to use your usual password and email to log on to view the learning journal right up until the end of the term.

At the end of term you will receive a CD that will have all of your child's learning on it which we will have downloaded from Tapestry. The document is in a PDF format and it is easy to open up and view on your computer or laptop. You can also print all, or part, of the learning journal, but do bear in mind that there will be many pages; alternatively you could save the learning journal to your computer to keep forever; either way we hope that you will treasure your child's special Reception memories and phenomenal learning.

If you would like additional copies of the CD of your child's learning journal then please let me know as soon as possible and I will organise this for you.

Thank you for contributing to Tapestry and for sharing your child's learning; we have loved seeing what the children do in their home learning and enjoy reading your comments and observations.

Thank you,
Miss Rist and the Reception Team.
