15th October 2021

Dear Parents/Carers,

Accessing home work and school information online.

Last year we used Microsoft TEAMS to set home learning and each year group also had a class email address that we used to enable good communication between home and school. As we move forward this year we have set up new class emails and we will also use TEAMS to set online homework from time to time.

We are aware that not every family has access to a laptop or tablet. If you and your child only have a phone to access learning that school sets as homework please can you complete the online survey here: <https://forms.office.com/r/6Wa9k5pBLhh>

We have a number of laptops that we can loan and if necessary, help with accessing the internet. We will prioritise children who are eligible for Pupil Premium funding first but, will try to also help other families if we have the resources to do this.

Please can you respond by Wednesday 20th October and we will aim to send laptops home before the half term holiday.

Class emails:

reception@stjohnswey.dsat.org.uk	year4@stjohnswey.dsat.org.uk
year1@stjohnswey.dsat.org.uk	year5@stjohnswey.dsat.org.uk
year2@stjohnswey.dsat.org.uk	year6@stjohnswey.dsat.org.uk
year3@stjohnswey.dsat.org.uk	

On occasions, you may receive an email from the class teacher which has been sent as a blind copy to the whole class. This ensures that we meet GDPR requirements. If you wish to respond to this email, to ensure that you are not sharing your email address and content of your email to the whole class, please make sure that you click reply and NOT reply all. As an alternative and to maintain confidentiality, please compose a new email to the year group email address instead.

Pupil emails:

Every pupil has an Outlook email address created by our technology team. These were created during lockdown and used previously. If you have forgotten your password, please contact Mrs Martin in the school office. Any new children who have joined us, your child's email address can be found by logging in to The Arbor App and then clicking on 'View Student Profile' the email address is listed under 'Student Contact Details'. The password will be sent by text message.

Please do speak to Mrs Martin in the school office if you require any further support.

Yours faithfully,

Mrs Amanda Aze, Headteacher
