

Family Matters brings local families together to support each other.

We provide donated, good quality clothes, toys and equipment for babies and pre-schoolers to local families in need. All our items are gifted to us by other local families.

Run by a group of local people, we organise donated items such as:

- clothes for 0-3s
- towels
- playmats
- highchairs
- cots & Moses baskets
- stairgates
- buggies
- toiletries
- toys
- games

I need some baby or toddler kit

If you are experiencing hardship, you can ask your midwife, health visitor, doctor, or local Children's Centre for a Family Matters referral. You can then visit one of our sites in Weymouth to select your items.

I'm a professional and want to refer a family to Family Matters

You can refer any family who you feel would benefit from our support. Fill in a referral card for the family to bring with them and send an email to let us know who is coming family.matters.wandp@gmail.com

I've got something to donate

Thank you. You can drop your donations off on Tuesdays, at the Granby in the mornings or Queen Street in the afternoons. Please email first to let us know you're coming. Our items are gifts, not hand-outs, so please only bring us good quality donations that you've washed, sorted by age and labelled. If you're bringing a cot please check all the bolts are included!

I'd like to get involved

We have lots of volunteering opportunities so come on board. We work hard to ensure you can volunteer for us with small kids in tow and have a range of different roles available. To offer help or find out more email family.matters.wandp@gmail.com.
