Dear Parents/Carers,

As you know we were inspected by Ofsted on 22nd/23rd of January and the report is now available for you to read on our school website.

I am very pleased that our fantastic children have been commended for their excellent behaviour and attitudes towards their learning and that there is recognition of the respect, kindness and tolerance that makes our school a special place to be. The report complements teachers, leaders and governors for the value and care that they show to the children in our care. It also reflects much of the great development work we are currently undertaking on our curriculum.

We will work hard to address the areas of development identified. As always, our goal is to provide the children with great learning opportunities so that every child can achieve their best. We also value your support at home in helping us to develop children's reading skills more rapidly and in ensuring that your children are in school on time every day.
