Dear Parents/Carers,

## Online Safety Parent Workshop

The festive season is upon us and Christmas is fast approaching. You may be thinking about or have decided to purchase a new game, DVD or device for your child.

With this in mind, we have invited Stuart Hann, from the Safer Schools Team, to deliver an Online Safety Workshop for parents and carers. The workshop will include some online safety tips including parental controls and keeping your child safe online as well as some great advice around age related games and content. There will also be a time for you to ask any questions you may have about keeping safe online.

The workshop will take place on Thursday 30<sup>th</sup> November 3.15-4.15pm in the school hall and all parents/carers are invited. Please note that this occasion is not intended for the children however, if it is proving exceptionally difficult and you need to bring your children into school, there will be a supervised film that the children can sit and watch while you attend the workshop.

Please complete the reply slip below and return to the school office by Monday 27<sup>th</sup> November.

We look forward to seeing there!

Yours sincerely,

Amanda Aze  
Headteacher
