Dear Parents/Carers

## Safer Internet Day

On Tuesday 6<sup>th</sup> February we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on a huge range of people across various professions as well as young people, parents, carers and teachers, to help create a better internet.

This year the campaign will be focusing on change online, this includes covering;

- Young people's perspective on new and emerging technology.
- Using the internet to make change for the better.
- The changes young people want to see online.
- The things that can influence and change the way young people think, feel and act online and offline.

Using the internet safely and positively is a key message that we promote at St John's and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, for the UK Safer Internet Centre have created some free activities and information for parents and carers which are available here [Parents and carers - UK Safer Internet Centre](#)

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher/myself or Mrs Aze, our Designated Safeguarding Lead.

Kind regards,

**Mrs Hunt**
