8th January 2020

Dear Parents/ Carers

SCIENCE SHOW – WEDNESDAY 15TH JANUARY 2020

On Wednesday 15th January, your child will be taking part in a science day at school. Dr Ken Farquhar will be here to present shows and workshops to the children and all other lessons will also have a science focus.

In addition to these exciting opportunities for the children, there will also be an after school show for parents. Children are welcome to attend with you but they remain your responsibility for the duration of the show.

The show will take place in the hall from 3.25pm and it will last approximately 45 minutes. The purpose of the show is to provide parents with some ideas of science experiments that you can try at home with your children. There will also be some demonstrations to show you what your child has done throughout that school day.

Unfortunately due to the capacity of the hall and our fire regulations, spaces will be limited to 1 adult per family on a first come first served basis. Please indicate on the slip below if you are able to attend, indicating the number of children that will be attending with you and then return it to the school office by **9am** on Monday 13th January 2020. You will then be notified on Tuesday 14th January if there is space for you to attend. Thank you.

We look forward to seeing you there!

Kind regards,

Miss Williams
Science subject leader
