25th October 2019

Dear Parents/Carers,

RE: Space Day Wednesday 6th November

As part of next half term's topic, 'Moon Zoom', we are planning to have a Space Day on Wednesday 6th November.

We would like the children to come in dressed up as anything to do with space for example; an astronaut, an alien, Buzz Lightyear, stars. Please do not feel that this needs to involve buying specific clothes – we have found that tinfoil is great for creating all sorts of space costumes.

We will be making our space rocket tickets and travelling into space in our very own space rocket. Then we will go for a spacewalk before returning to earth again in time for lunch!

We hope that the children will have a really exciting day while learning lots about the moon and space travel.

Thank you for your continued support.

Mrs Childs, Mrs Dennis and Miss Casey
