Dear Parent/Carer

Learn to ride with Sustrans Bike It Plus

As part of your school's involvement with the Sustrans Bike It Plus project, we would like to arrange a playground based **Learn to Ride** session to help children who cannot ride a bike without stabilisers.

If you would like your child to take part, please return the slip below to school by Monday 6th December. We have provisionally booked Monday 13th December however, if a date in January would suit you better, please indicate on the slip below.

ESSENTIAL INFORMATION – Your child may not be able to take part if the instructions below are not followed.

- You will need a bike that is small enough for both of your child's feet **to fully touch the ground at the same time – not on tiptoes.**
- The bike must be in good condition with fully working brakes and controls.
- Please **remove** the stabilisers **before** bringing the bike to school.
- If you want your child to wear a cycle helmet you need to provide one. Make sure it fits squarely on their head and covers their forehead.
- Your child should wear **long trousers**, or have these available to change into for the session.

Thank you.
