

St. John's  
CE Primary School

## KS2 SPORTS DAY - THURSDAY 13<sup>th</sup> JUNE 2019 1.15-3pm

**CHANGE OF VENUE: This event will now be held on St. John's field**

This year Sports Day will follow a similar format to last year. Every pupil will participate in a round robin of activities in teams, where they will earn points for their house. Teams showing excellent team spirit and displaying school values can also earn spirit points which will be added to the scores. Spectators will be allowed to move around and watch each activity. After the round robin, there will be running races for children who wish to race. There will be sprint races for girls and boys Y3-Y6 and long distance races for Y5 and Y6.

Children will need to have PE kit to change into. **Children can also wear a t-shirt in the colour of their house if they wish.** If sunny, please ensure they have sun-cream on and a sun hat. At the end, children will return to class with their teacher and will be dismissed at 3.15pm as normal. Parents must not take children before the end of the school day.

This event is only possible due to the support of Weymouth College and its students. Thanks also to the PTA who will be serving ice-creams at the end of the afternoon on the school playground.
