

5<sup>th</sup> March 2025

Dear Parents/Carers,

It is with great delight that we are writing to let you know about a new and exciting event that we will be holding for our Year 5 children.

Working as a group of four DSAT schools, St. John's Primary School, St. Nicholas and St. Lawrence Primary School, Beechcroft St. Paul's Primary School and St. Andrews Primary School, have organised a residential camping experience for the coming Summer. It is designed to be a festival of creative and reflective activities which we are calling Weyfest! (Make your soul sing,) and it promises to be an exciting event.

Beginning on Thursday 3rd July the children will have the opportunity to experience the following over the next two days, including;

African drumming workshops, Dance, yoga, first aid workshops, arts and crafts and singing

The children will then camp overnight at St. John's school where all facilities and catering will be provided, and then complete any activities that they have not yet experienced on the Friday.

The festival will finish at 2pm on Friday 4<sup>th</sup> July when the children can be collected from St. John's Primary School.

As we have been able to secure some funding for this festival, we have managed to reduce the price to £20 for the full two days.

We will obviously be sharing a lot more information about this event as it draws nearer but we wanted to make you aware of it as soon as we were able to.

This is a really exciting opportunity for all of our Year 5 children, and it marks an important step for our group of schools in working together to go beyond expectations for the children in our care. We hope you will be as excited as we are.

If you have any further questions then please speak to your child's Headteacher who will be happy to help you.

Best Wishes

Amanda Aze
