17<sup>th</sup> May 2019

Dear Parent/Carers

At St John's we value the use of technology and all of its benefits, helping us to communicate and learn about our world.

Next Tuesday, 21<sup>st</sup> May, is Internet Safety Day hosted by the Safer Schools and communities Team. The Year 5 & 6 children will be learning about the importance of staying safe online, including keeping personal information private and the dangers of communicating with strangers online.

As part of our E-Safety education, Year 5 & 6 will be exploring this issue further, focussing on the dangers of online grooming and helping the children to be aware and to recognise the danger signs. We feel that this is very important as the children get older and move on to secondary school.

Can we please encourage you to have conversations with your child about the learning we will be doing.

Thank you.

Miss J Lea  
ICT Co-ordinator
