At this time of year, parents, carers and pupils are making important decisions about the right secondary school and this year, as you know, there will be a different process in place for you to access the information you need. Our website <https://allsaints.dorset.sch.uk/> and the page [About Us](#) contains lots of important information, including details about our Visions, Values and Ethos, [welcome videos](#) and 360° photos.

Our website will be further updated with more information leading up to our Online Open Evening, during which we will talk with you about our curriculum, our extra-curricular activities, trips and visits, sport, music and future careers and aspirations. We will use a live chat function to answer any questions you may wish to ask.

We are sorry that we will not be able to meet you in person before the closing date for applications, **31 October 2020**. Although you will not be able to explore our building, meet our staff and students, sample our food, see our displays or ask face to face questions, we will do all that we possibly can to provide you with all of the information you need about All Saints CE Academy.

Please ensure that you understand the process for admissions and get your application in by the closing date of 31 October 2020; visit [Dorsetforyou](#) to apply. All Saints has its own admissions policy so please also ensure that you are familiar with this. It is available on our website on the [Admissions Page](#).

Please remember that you do **NOT** have to have religious reasons or beliefs to apply as we are fully inclusive. However, if you do meet the denominational criteria please also ensure you submit the [Supplementary Form](#) available on our website by the closing date.

Please do not hesitate to contact the office using the details below if you need any further information.

Yours faithfully
