Dear Parents/Carers,

Primary College: Information for Parents

We are very excited to confirm that Year 6 children will be taking part in Primary College this year, Wednesday 10th, Thursday 11th and Friday 12th July.

The PTA are heavily subsidising the cost of this fantastic opportunity meaning that we will need to ask for a non-refundable, contribution of £10 from parents/carers. Please book and pay for your child's place via The Arbor App by Wednesday 3rd July. Please go to 'Quick Actions', click on 'Trips' and select 'Year 6 Primary College'.

Please send your child with a packed lunch and a refillable drink bottle each day. If your child has a free meal entitlement or if you have already ordered a hot meal for this day then Food Links will provide a packed lunch option, a drinks bottle will still need to be provided.

Children will need to be dropped off and collected at the usual times at school. The children will walk to and from Weymouth College with school staff during school hours.

Please find further information about Primary College overleaf. The children have selected their top choices from the list of workshops and they have been attached for your information.

Yours sincerely,

Mrs Taylor & Mrs Crouch

Year 6 Primary College

What is Primary College?

Primary College is a three-day programme of thirty different workshops (listed below) provided for children in Year 6 at Weymouth College. Children complete two workshops each day.

Primary College this year is on Wednesday 10th, Thursday 11th and Friday 12th July.

The aims of Primary College are to give all children taking part:

- an enjoyable and instructive experience which will broaden their horizons
- an opportunity to meet and work with children from other schools - developing their social skills and easing their transition to secondary school
- the chance to try new activities and learn new skills

Some workshops have specific clothing requirements:

- sturdy shoes or boots (i.e. not trainers or open-toed shoes) for construction activities
