

GUITAR & UKULELE LESSONS

September 2025

Dear parents and carers,

I am delighted to let you know that guitar lessons are available in school this term.

I teach using the Rockschool syllabus, which provides a structured pathway through graded exams, covering a wide range of contemporary styles. Lessons are fun, engaging, and designed to build skills in performance, technique, and musical understanding — whether your child is a complete beginner or already playing.

What's Included

- Weekly shared (with another pupil) or individual lessons in school
- Access to Chris's YouTube channel (Chris Anthony Guitar) with guitar only playthroughs of the pieces students are learning.
- An optional Patreon subscription (£3.99/month) offering slow playthroughs and isolated guitar parts, ideal for practice at home and during school holidays.
- Free PDF resources and a shared Google Drive link with lesson support materials

**Once the application has been submitted, I will send all information via email.*

How to Apply

If you would like your child to take part, please complete and return the attached form to the school office. Spaces are limited, and allocation will be on a first-come, first-served basis.

Cost and Dates

- Lessons take place weekly on Tuesday afternoons during school time.

**Once the application has been submitted, I will send scheduled lesson dates via email along with other information.*

- Cost: Refer to application form - payable in advance.

Payments & Terms

- Payments for each half-term should be made no later than one week after the first lesson. If payment hasn't come through by then, lessons will need to pause until it's received. Thank you for your understanding.
- If your child has to miss a lesson (for example due to illness or a school trip), I'm not able to refund that session as I'll still be in school and ready to teach. Thank you for your understanding on this.
- If I'm unable to be in school, I'll make sure the lesson is either rescheduled or refunded so that no one misses out.

I'm excited to offer this opportunity in school and look forward to seeing many students enjoy learning the guitar this term!

Yours sincerely,

Chris Anthony Taylor (Guitar Tutor)
