

GUITAR LESSONS

Dear Parent/Guardian,

I am pleased to offer guitar lessons at St Johns Primary School on **Thursday mornings** during school time.

Lessons are available to pupils of all abilities, from complete beginners to more experienced players. I teach using the **Rockschool syllabus**, which covers a wide range of contemporary styles and provides a structured pathway for learning. Rockschoo! examinations are available but are entirely **optional**.

Lessons are booked **half a term at a time**. As the number of teaching weeks varies between half terms, the total cost will be confirmed before each booking period begins. This system allows families greater flexibility to opt into or discontinue lessons at regular intervals.

Lesson Options

- Shared lesson (2 pupils): £7.50 per lesson
- Individual lesson: £10.50 per lesson

Please note that while shared lessons are available, spaces cannot always be guaranteed and will depend on pupil numbers and suitable pairings.

All lesson materials, backing tracks and play-along resources will be provided via Google Drive, allowing pupils to practise at home between lessons.

If you would like your child to take part, please complete the form below and return it to the school office or email me directly. I will use your **email** to send over payment details and links to lesson resources.

Kind Regards

Chris Anthony Taylor
